MONTU OCup Segment Challenge

Ontario cycling is partnering with MONTU Bikes to elevate your OCup race day experience by setting up the MONTU Segment Challenge on Strava. The challenge will be virtual series within the Ontario Cycling OCup Series in each discipline.

What to expect on race day?

Set up your Strava account and join the [Ontario Cycling Club](#). Bring your GPS device on race day to record your ride. During the race watch out for the MONTU OCup Segment Challenge flags or signs marking the Start and Finish of the segment on each course. Segment distances will vary (500m – 2km) and focus on different skills. Upload your ride to Strava by the Monday after the event to be automatically entered into the MONTU OCup Segment Challenge. Only completed and recorded segments on race day will be counted.

How to upload your activity to Strava

Use the Strava app to “Record” and “Save” your ride, which automatically uploads your activity. Check out the [Getting Started Guide](#). If you already have a dedicated GPS device or use a different fitness platform, you can synch your activities to your Strava account.

The virtual series

Take part in the full OCup series and compete for a chance to win all segments. The fastest ten male and female riders in this designated MONTU OCup Segment Challenge section of each race will collect points that will accumulate throughout the series. Each discipline’s highest-ranked male and female will receive a MONTU OCup Segment Challenge winner jersey and bragging rights for the year.

NOTE: unlike race results, the MONTUE OCup Segment Challenge is based on overall male and female results and not separated by age categories

Rules:

2. Riders must upload their ride by the Monday following the race.
